PARTNERS BEYOND GROUNDWORKS

Achievements:

Matt has built a strong foundation with key qualifications, including First Aid, SMSTS, NVQ Level 2 in Formwork, Temporary Works Awareness, and IPAF.

Noteable project:

Trinity Academy: Matt gained hands-on experience in joinery, contributing to a large-scale educational facility with precision and care.

Favourite aspect:

Matt values the **team spirit** at GRK, learning from experienced mentors and embracing the mindset of "do it once, do it right."

Skill for life:

Matt has developed a strong focus on **quality and accountability**, ensuring every task is done properly the first time.

What's next?:

Matt aims to **master his trade** and become the go-to expert in joinery at GRK. His goal is to be recognized not just for his skills but for his problem-solving abilities and leadership on-site.

Matt says:

GRK has set the standard for what it feels like to work in construction - hard graft balanced with enjoying the process.

It's about more than just completing tasks; it's about taking pride in the work and the people you do it with!
