

Zak Burke - Apprentice Site Engineer

Working on - Trinity Academy, Queensbury,
Currently mentored by **Taj Bharth** • Project Manager

grk
CIVILS

PARTNERS BEYOND GROUNDWORKS

Achievements:

Earned a CPCS Blue Card, Formwork Joinery, SMSTS, First Aid and is also the 'appointed person' on site building a solid foundation in site engineering.

Noteable project:

West Yorkshire Fire & Rescue: A standout project where Zak applied technical skills to support critical infrastructure.

Favourite aspect:

Zak, loves the **variety in groundworks** - no two days are the same, with constant opportunities to learn and grow.

Skill for life:

Developed strong **communication skills**, essential for teamwork and effective project coordination.

What's next?:

Zak is determined to advance his career in civil engineering, with plans to tackle **Level 3 & 4 qualifications**. His goal is to deepen his technical expertise and take on greater responsibilities within GRK, paving the way for a leadership role in the future.

Zak says:

Being an apprentice at GRK Civils has allowed me to adapt to different projects and work with diverse teams.

It's been an incredible opportunity to improve my existing skills, learn new ones, and take on responsibilities that prepare me for the future.
